

# Descendants of Peder Olsen and Gundborg Sørensdatter

Møre og Romsdal

*Sivert and Elen first lived at Bud on the coast north of Molde. They then moved to Oddernaes where Sivert became the assistant lighthouse keeper. They moved to the island of Ona in 1902 where he became the head lighthouse keeper.*

*On the 1900 census, Ingeborg's birthplace is listed as Sandøy. Gudrun, Sverre, Astrid, and Selma were born when the family lived at Bud. Haakon drowned in August of 1900 while the family was living at Oddernaes. Borghild and Hulda were born at Oddernaes, and Marget and Ruth were born after the family had moved to Ona.*
